Dear 8<sup>th</sup> Grade Parents:

We are taking this opportunity to confirm the details for the Class of 2009 yearbook. Each family has the ability to place a full-page "Booster" otherwise known as an ad for their student.

You are welcome to design and layout your ad. If you choose to design your own ad it must be submitted on disc using Microsoft Publisher. You can add pictures, clip art and words if you wish. Please note that if you design and layout your ad, we cannot be responsible for any errors, as we submit it to the yearbook publisher as is.

If you do not want to design your own ad page, (most parents choose this option) you can simply submit the information and/or pictures you want included in your ad and we will design a page for you. In order to insure accuracy, please type or print all information.

In order for us to meet our deadlines, the ad copy must be returned to school no later than **Friday, December 12**. If you would like to look at a sample of a "Booster" please let us know and we can send a yearbook from last year home.

At this time we are also requesting a baby picture of your child. All submitted pictures will be scanned and returned in January and **PLEASE** label the back of pictures with your child's name.

I want to thank you in advance for your cooperation. If you have any concerns or questions, please feel free to contact either one of us.

Sincerely,
